site inspection of the subject property has taken place, the Parties have met and conferred in person, a Notice of Need for Mediation was filed, a mediator assigned, and the last date to conduct the mediation is May 20, 2013.

On March 13, 2013, mediator Carol Millie was appointed in this matter (Doc. 17). Ms. Millie contacted the Parties on April 12, 2013 to set a date for mediation. The Parties and Ms. Millie have been attempting to coordinate their calendars since then, and the first available date for all Parties for the mediation is June 19, 2013 at 10:00 a.m., which date exceeds the last date by which mediation must be conducted.

Therefore, the Parties request that the Court order that the mediation take place on June 19, 2013 at 10:00 a.m., and that each and every party to the action have a representative present at the mediation who has final authority to settle and who is knowledgeable about the facts of the case.
